## NEWS FROM THE ADMIN TEAM

Our school ANZAC ceremony will be held in the school on Friday 22<sup>nd</sup> April at 9:00am. This ceremony will be held on the Tiger Turf area, adjacent to the year one classrooms. Each year level will build a wreath and selected students will lay the wreath at the base of the flagpole. If any families are able to contribute greenery or flowers for the wreaths, please bring them to school with you on Friday. Thankyou in advance.

Our school as always will be participating in the community March on Monday 25<sup>th</sup> April. This year the school contingent will be led by Ms Cooney and our school leaders. Any member of the student body is welcome to represent the school. The meeting point will be outside OLR on Kenmore Road at 7:45am. The march will commence at 8:00am and the morning service will commence at 8:30am at the

Kenmore Village war memorial. All students must be in school uniform, with a hat and full water bottle.

Congratulations to the 3S class who had the best attendance data for the first school week. They had the pleasure of using the chairs during assembly.

## NAPLAN

A reminder that the NAPLAN assessment activities are being held from May 10<sup>th</sup> to 12<sup>th</sup>. I would like to remind parents that for any students who are absent across the three days, catch up testing must be completed by Friday afternoon. Please do not arrange any holidays during this week.

All students are encouraged to participate in the tests. Some students may qualify for special provisions that reflect the support normally provided to them in the classroom. If you have any queries or questions in regards to NAPLAN or special considerations for your child, please make contact with the school administration to arrange a time for questions to be answered.

## Road Usage

Taking note of the road usage over the last week has concerned me with a number of issues. These involve parent's double parking and allowing students to enter or exit the vehicle between parked cars, doing U turns and driving on the footpath and block the school and neighbours driveways. The police have been notified and hopefully many infringement notices will be issued.

If all parents can change this next behaviour over the next week, we can all make pick up and drop off easier.

- Park in the two minute zone for only two minutes and don't leave your car.

## Monday Public Holidays

Please be aware that we have two public holidays coming up, on Monday 25<sup>th</sup> April and Monday 2<sup>nd</sup> May. The regular Monday afternoon assembly will be therefore moved to the Tuesday afternoon of each week.

## Band

Mrs Conomos will be on leave until the 6<sup>th</sup> of May. Mrs Johnson will be replacing her here at Kenmore South SS. All band students are to bring their equipment as usual this week. The children received a letter today regarding this information.

## Year 6 Canberra Camp

A reminder that the \$350 non-refundable deposit for the flight will be required on or before Friday 29<sup>th</sup> April.

#### **SCHOOL BANKING**

School Banking - Account Opening Session?

Our School Banking Specialist, Victoria, has offered to come out to the school and hold an account opening session. If parents bring along ID for themselves, we would be able to open an account for their child on the spot, saving the time of going into the bank. If you are interested in attending such a session, please email me on the address below and let me know what times would suit you, and we may be able to arrange the session for that time.

This week we had a few students sending in double deposits. This often happens when bank books are misplaced for a week or two. Unfortunately, we are restricted by the bank to only processing one deposit per child, per week. We think this is a bit of a silly rule, but we can't do anything to change it. If your child does send in two deposits in one week, we will combine them into one deposit. Thanks for your understanding.
