NEWS FROM THE ADMIN TEAM

Science Fair
Thank you to all the students and families who assisted and supported our students. The work was absolutely amazing and the presentations varied with colour, techniques and innovation. The knowledge that the students have gained through this process is invaluable to their continued engagement in the fields of science.

Celebrations
This year marked Kenmore South State School's 2nd annual Science Fair. This year's theme was "Drones, Droids and Robots" and it was obvious from the calibre and number of projects that the students really enjoyed this theme. The students created automated farms, Growbots, teacher robots that teach English (and some that bear a strange resemblance to Mrs. Galland!), first aid robots that help the sick and drones that deliver pizza. The crowd favourite was most certainly the robotic system that packed biscuits at a tremendous rate - it was hard to beat!
I would like to take this opportunity to thank each and every child who participated and entered a project in this year's fair. I was extremely impressed and very proud of the students at Kenmore South.

At lunch time a panel of judges (2 teachers and 2 parent volunteers) awarded prizes to 1st, 2nd and 3rd in each year level. Each of these children received a medal. First place also won a special robotics kit from Australian Geographic.

Congratulations to our winners:

- Prep Year 4
  1. Will M
  2. Sasha (PG)
  3. Nyah (PM)

- Year 5
  1. Audrey S
  2. Millie G
  3. Charles H

- Year 6
  1. Jonathon G
  2. Sophie A
  3. Jacob N

Library Assistance
Many thanks to the wonderful parents who arrived this week to assist the library in covering the books. Next Wednesday and Thursday it would be appreciated if parents could lend a hand and help us cover new books from 9am – 11am in the Library. Please come to the office and sign in on your arrival to school.

Parent Representation – School Council Election
In accordance with the constitution, we hereby give public notice of the election of the school council's elected members. Voting will require an "in person" ballot at KSSS. Proxy votes are not permitted. Final date for receipt of nominations: Tuesday 30th August

Please be advised that these overviews will be published for our school community. This will assist in enabling our community an opportunity to "get to know" our applicants prior to voting day.

Absence Letters
We are currently updating our system. If your child has been absent from school and you have not informed the office you may receive a letter stating that an absence has been unexplained. Please complete the form on the letter outlining the reason for the absence and return to the school office as soon as possible. If you have contacted the office and we have made an error please indicate on the form.

If your child is unwell and unable to participate in PE lessons or interschool sport, would you please provide a
note to the class teacher outlining the reason, so that appropriate arrangements can be made to care for your child. Classroom teachers will inform the Specialist or Sports teachers.

School absence number is 3327 0860.

Maths Challenge
On Tuesday, 30th August, fifteen Year 5 and 6 students travelled to Moggill State School to participate in the annual Ipswich and West Brisbane Maths Challenge. The venue was abuzz with excitement and nervous anticipation as each team of five pitted their wits and mathematical knowledge in both a team and relay event against 43 other primary teams from as far afield as Peak Crossing. Our students fought valiantly, but at the end of the day, the winning team for the larger primary schools was Moggill State School, followed very closely by Jindalee. Congratulations to all the Kenmore students who ‘fought the good fight’ on the day – and had some fun along the way: Riley, Sarnavan, Alex, Aaron and Jamie (Team 3), Daniel, Sasha, Ben, Tom and Josef (Team 2), Isabel, Bella, Hannah, Isabelle and Elena (Team 1). Well done, Kenmore South! Mrs Flemming.

WRITING NEWS
Year One students have been learning how to write Information Reports this term. The teachers have modelled the structure of an Information Report and specific vocabulary relating to the topic. The students were taught note taking from information researched as well as sentence construction using present tense.

Here are some samples from class 1B demonstrating the fantastic job the students have done researching and writing information reports on animals. The students also created a labelled diagram of their animal.

Caitlin Donaghey – Lead Teacher Writing

YOU CAN DO IT!
This week in the You Can Do It! program, younger students will be able to state that making lists can help them complete activities and tasks. They will be able to create their own lists of things they have to do. Older students will be able to apply a variety of organisational techniques to keep track of their work.

ACTIONS YOU CAN TAKE TO SUPPORT YOUR CHILD’S SOCIAL and EMOTIONAL WELL-BEING AT HOME

1. **Colour-code entries on a calendar.** Use one colour for school-related items, another for sports, and a third for social activities.

2. **Prioritise.** Help your child practice prioritising homework by figuring out together how much work is
to be completed, which tasks are due first, and which are the most challenging. Encourage your child to start the most difficult homework items first, when s/he's fresh and energetic.

3. **Break tasks into chunks.** Help your child to break school tasks or household chores into smaller, more manageable steps. This will show your child that each task has a beginning, middle and end, which can make tasks feel less overwhelming. For example, if your child's nightly chore is to clear the table, explain: First she should put the leftovers into the bin, then load the dishes into the dishwasher, then wipe the counters.

**Stephanie Pedley – Lead Teacher Student Welfare**

**BANKING NEWS**

This week we have noticed quite a few bank books coming in without the deposit slip filled in. We process over 120 bank books each week, and it slows our progress down significantly if we need to stop and fill in the slip. All we need to have is: Account Name, Student Number, Total Amount. That's the barest minimum of what we need, and we would be very grateful if you could please take the time to fill in these details, rather than leaving it for us to do. Many thanks.

Banker of the Week: Tamika M.

**SCHOOL DISCO**

One more week until the disco! Enormous thanks to those that have volunteered their time already – the disco cannot run without our fabulous volunteers! I am still looking for volunteers to fill just a few small jobs. If you can spare any time, even just an hour, please contact me.

When? Friday 9th September 2016
Where? School Hall
Time? 5:30-7:30pm
Cost? $6 Entry or $8 if your child wants unlimited jumps on the Castle
Food? We will have Hamburgers, Sausage Sizzle, Hawaiian Pizza, Sushi and of course lots of lollies!
Drinks? Free iced water, soft drinks (for sale) and alcohol for parents (note there is a designated area for this).
Hope to see everyone there. All KSSS students are welcome as are siblings. Please make sure you bring your coins!

**SCHOOL FETE**

**FETE VOLUNTEERS NEEDED!**

The P&C is getting ready for the 2017 Fete. We have had a wonderful response to our recent request for volunteers with 21 parents signing up. Thank you to everyone who has put their hands up to be part of this fantastic community event. We still have a few more key conveners to fill:

Note that the Cake stall is now being run by Year 6 (2017) so we need a Year 5 (2017) volunteer to run the Silent Auction.

**Overall Convener Role**

The role of overall convener may sound daunting but we have set up the Fete committee in such a way that the overall convener is now acting more like an overall project manager. They need to draw up a timeline and ensure that everything gets done on time. They will also chair the Fete Committee meetings to start in February 2017. These meetings are held once a month until we get closer to the date of the Fete, when the meetings will be more regularly. If you might be interested but are not sure what this role involves, please contact the P&C as our 2104 Fete convener is more than happy to meet with you and discuss any concerns you may have. You also have 7 key conveners to assist and support you all the way. Sadly, if we do not have an overall convener by the end of Term 3 the Fete will not go ahead as the planning for this event needs to start soon.

Please consider becoming a part of the Fete 2017 team. If you require more details about any of the above roles please email us at pandc@kenmoreouthss.eq.edu.au
