NEWS FROM THE ADMIN TEAM

Welcome back to the start of another wonderful term at Kenmore South SS. Term four inevitably is a very busy term for students, staff and families in schools. Over the coming weeks we are looking forward to meeting our new Prep students and their families through our school interview process and transition days. I would encourage all families with siblings who will be attending Kenmore South in 2017 to contact our Administration Office to arrange an interview with a member of the leadership team.

Our students and teachers are very excited about the classroom programs, excursions and activities that will be occurring throughout this term. Your classroom teachers alongside our school’s Web Page and Facebook Page will keep families up to date with any class specific excursions and activities.

As we commence the process to organise classes for the 2017 school year each family from Prep to Year Five has been given a letter to provide the school with information regarding enrolment for 2017. This information is gathered to draft up the number of classes, rooms and complete a furniture order to ensure we have enough tables, chairs and trays for each student for the commencement of the 2017 school year.

I would encourage all families to provide this information on the form provided and return to the office by Friday the 14th October, 2016 to ensure the process for class placement, furniture ordering and staff allocations gets well underway before the end of the year is upon us. Your assistance is greatly appreciated.

Prep Enrolments 2017

We are now taking enrolments for Prep for 2017. If you have a sibling coming to the school in 2017, we would love to hear from you. Please contact the office to organise your Prep interview and Enrolment Forms. Prep Transition Days will be held on Wednesday 26th October, Thursday 3rd November and Friday 11th November.

WRITING NEWS

At the end of Term 3, Year 5 students attended Kindilan Camp for 3 days. They participated in many different activities such as kayaking, orienteering, rock climbing, abseiling, proudy’s landing, sugar gliding and initiatives. They also prepared and washed up after each meal and performed in Kindilan Idol. Students reflected on their experiences and wrote about their favourite activity, what they enjoyed most, some of the challenges they faced and what they learnt on the way.

Below are some insightful reflections from Camp. It sounded like you all had an amazing time!
Authors’ Corner
This week, Authors’ Corner sessions resume for Year 4 – 6 students on Tuesdays and Prep to Year 3 students on Fridays at 1pm in the Library. Students are shown a different bookmaking style each week, they just add their imagination to create their own. We have some of the books we have made on display in the Library and will be adding to this display as sessions get underway.

YOU CAN DO IT!
This week in the You Can Do It! program, the lower school students will be able to state that working well with their classmates when learning something new and when playing, helps them to be successful. They will be able to describe good ways to work and play together and unhelpful ways to work and play with their classmates. The older students will be able to state the meaning of the word ‘assumption’ and identify assumptions that prevent them from befriending others. They will be able to replace judgmental thoughts with non-judgmental thoughts about others. Students will be able to state the relationship between the ‘Being Tolerant of Others’ way of thinking and their ability to get along with people who behave badly or who are from different backgrounds. The senior school students will also be able to state how a ‘Being Socially Responsible’ way of thinking contributes to everyone’s sense of happiness and success.

Getting Along means:

- working well with others
- being sensitive to the feelings of others
- being respectful
- solving conflicts peacefully

BANKING NEWS
A pat on the back to all the organised people who remembered their banking this week. We had a lot of students very keen to order the new Term 4 rewards: the Bush Fly Fan and the Wriggly Glow Worm, however we have 116 students who are due to collect a reward. The following students are eligible to claim TWO rewards: Ryan P., Kayley S., Ixaac P., Luke W., Zac P., Joshua P., Charlie H., Sabine M., Noah B., and Harrison B. William N. - you have THREE rewards available to claim. Please check your child's banking book and get your claim forms in fast while there are prizes available.
Sadly, we have had to farewell Joann C. from the school banking volunteer team due to her increased work commitments. If you have spare time available on a Tuesday morning between 9 and 11AM, we would love to have you along for the ride. Thanks so much.

Indooroopilly Swim Club would like to invite families to come and try out Swim Club this Friday 7th October from 5.30pm

Dear Families,

This Friday night, swim club recommences at Indooroopilly Swim Club (located at Indooroopilly State School) for the upcoming summer season so if you have been considering signing your children up for swim club then this is the perfect opportunity to come along and give it a try.

This will be the first club night for the season and a great opportunity for your children to learn about and experience competitive swimming in a relaxed family friendly environment. This Friday your children are able to participate in any swim event they feel comfortable trying and you feel is suitable for their level of experience and there is no need to nominate in advance.

Friday night swim club is a fantastic social event for the whole family to look forward to. The canteen operates on club nights providing well priced burgers, sausages, snacks and drinks so take the night off from cooking and come on down to meet other like-minded families, try swim club and have some fun.

If you are interested, please contact the Swim Club Registrar, Anne Coates via email registrar@indooroopilyswimming.org.au

Hope we’ll see you there,
Heather McCarthy
Indooroopilly Swim Club Secretary.
