**NEWS FROM THE ADMIN TEAM**

As term three draws to a close, I would like to thank the staff, parents and volunteers for their contributions to our students and their learning. As a school community we are very fortunate to have such wonderful and supportive people in the lives of our students. I am very thankful and proud of the way in which as a school community we come together and celebrate the wonderful work of our students through our Sports Days, Concerts, Celebrations and Special Awards.

I hope that you all have a restful and enjoyable break during the September Holidays and we look forward to an exciting and busy term four commencing on Thursday 6th October.

**Year Two / Three Sports Carnival**

Thank you to Mrs Pegg and her team of minions for an exciting and fun filled Sports Carnival for our Year Two and Three students. Thanks to the parents and families who came along to support our students. The morning was a great success despite the rain.

**Social Media**

All social media platforms carry risk. As parents, there is a responsibility to monitor the content of your child’s posts to ensure there are no unflattering or humiliating comments or pictures. By setting your profile to private, only followers can see your profile information (profile image, username, and bio), even non-followers. As the holidays approach, and children have more time to use of their devices, please be conscious of the content that is on the device. Thank you for your cooperation in this matter.

**Prep Enrolments 2017**

We are now taking enrolments for Prep for 2017. If you have a sibling coming to the school in 2017, we would love to hear from you. Please contact the office to organise your Prep interview and Enrolment Forms. Prep Transition Days will be held on Wednesday 26th October, Thursday 3rd November and Friday 11th November.

**Instrumental Music Evening**

Just a reminder that there is a parent information session for students in year two and three who are interested in their joining the Instrumental Music Program. Please note this session will commence at 6:30pm tonight in the School Library.

**Library Assistance**

Many thanks to the wonderful parents who arrived this week to assist the library in covering the books. Next Wednesday and Thursday it would be appreciated if parents could lend a hand and help us cover new books from 9am – 11am in the Library. Please come to the office and sign in on your arrival to school.

CHORAL NEWS
On Thursday 1st September KSSS Choir welcomed Spring the best way choristers know how. The KSSS Choir spent a day at Singfest, singing and polishing 5 demanding songs at the Old Museum at Bowen Hills with nearly 300 enthusiastic choristers. Under the conducting of Mr Tim Sherlock the day culminated with a glorious concert for parents. The children were excited and were not disappointed by the result. The day was long finishing at 6.00pm but the enthusiasm lasted throughout the day and they gave their all. Well done KSSS Choir members.

WRITING NEWS
Authors’ Corner began in week 2 of this term. Each week we get 12 Year 4 -6 students attending on Tuesdays and 35 Prep-Year 3 students on Fridays. Some of our creations are currently on display in the Library and it is great to reflect on the sessions we have enjoyed so far. The students come to the Library and ask “What are we doing today?”
Each week has a planned theme and the students use their imagination to create their writing within that theme. So far we have created: open the door books, book boxes, lift the flap books, the smallest books, newspapers, story maps (where the reader chooses their own endings), book bags and cartoons.
This week Year 4 -6 students were making a 3D room or place scene to write about next week and Preps-Year 3’s will be making pocket books. These sessions have been lots of fun and the students have enjoyed coming up with great ideas to share with each other. Authors’ Corner will continue next term with more creative writing fun to be had!

YOU CAN DO IT!
This week in the You Can Do It! program, students will be able to recall the basic elements of organisation. They will learn the usefulness of doing unpleasant and difficult tasks before doing pleasurable, easy tasks. They will be able to create their own lists of things they have to do. Older students will continue to apply a variety of organisational techniques to keep track of their work.

1. A place for everything. Sometimes, children can spend too much time looking for materials. Put together a small kit of necessary items. It can be a box or plastic container. Have paper, pens, pencils, and a dictionary ready to go at homework time.
2. Encourage your child to keep a small, personal to-do list. S/he may also use coloured pencils to keep track of subjects or important deadlines. He should also set short-term targets such as when working on a big project.
3. While your child is learning to get organised, check in as often as possible. Then provide a “gradual release” by checking in weekly and then monthly as your child gets older and becomes an independent, confident learner.

You can do it. You will be able to achieve your goals if you stay organised! Great work so far. Keep going.

BANKING NEWS
We have received notice from the bank that they are getting very low on the Wildlife Writers Sets, and they are expecting to run out of this prize within the next week or so. If your child would like this reward, please also send us a second choice in case it is no longer available.

Thank you to Victoria Wahl, our School Banking Specialist from the Commonwealth Bank for donating some money boxes to the SWD unit to help students learn about money and the value of saving.
