Mac Laptops are not supported.</i></p>

Dual Platform

In 2024 Year 4 will have the choice of continuing with their current iPad or bringing a Windows 11 Device.

Protective Case

iPads and tablets must have a protective case *at all times*. All other devices require a protective case when not in use. All devices must also be encased in a **sleeve** when not in use, and clearly identified (e.g. engrave/etched for security or labelled) with the student name (on device itself AND case/s).
